Any contestant who displays poor sportsmanship, violates these rules or any state or local laws or brings unfavorable publicity to the sport of bass fishing will be disqualified. Encroachment is considered a sportsmanship rule.
- 6. BOATS AND MOTORS:** There is no horsepower limit, however, no engine may exceed the BIA horsepower rating for the boat on which it is used. All boats must meet U.S. Coast Guard and state regulations. All boats must have an emergency kill switch. All boats must have an aerated livewell large enough to sustain the tournament limits of five (5) fish in releasable condition. Extra gas tanks must be secured and must meet U.S. Coast Guard specifications.
- 7. SAFETY:** Boating safety must be observed at all times during **practice and competition**. A U.S. Coast Guard approved life preserver must be fastened any time the combustible engine is operative and above an idle/no wake speed and the kill switch must be attached to the driver. It is both partners responsibility to see these rules are adhered to.
- 8. TACKLE & EQUIPMENT:** All fish must be caught in a legal sporting manner. Intentional snagging of fish will not be allowed. No trolling is permitted with the main outboard engine. Only artificial lures may be used. No live bait or prepared bait is permitted with the exception of pork rinds. Liquid fish attractants are allowed. Only one (1) rod may be used at any one time. Other rods may be in the boat and ready for use, however, every cast and retrieve must be completed before another cast is made. The official measuring board will be the standard ruler. A courtesy board will be provided at the weigh-in site.
- 9. PROTESTS & POLYGRAPH:** All protests must be submitted to the tournament director before the close of the scale. All contestants, winners and non-winners, are subject to a polygraph test. Failure to submit to a polygraph test will result in immediate disqualification. - 11. OFFICIAL BOATS:** Officials will be on the lake for boat inspection and observation during tournament hours. Each contestant is required to cooperate with all requests.
- 12. CONSERVATION:** This is a primary concern of the **2017 NORTHSTAR TOURNAMENT TRAIL**. Adequate livewells are mandatory on each boat and must provide aeration to maintain fish in good condition as every effort will be made to release as many live, releasable fish as possible, following each days weigh-in.
- 13. TIES & TIE BREAKERS:** In the event of a tie during a qualifying tournament, ties will be broken by: (1<sup>st</sup> tie breaker) - number of fish, (2<sup>nd</sup> tie breaker - biggest fish, 3<sup>rd</sup> tie breaker) - coin flip. During the 2 day Year End Tournament, ties will be broken by: (1<sup>st</sup> tie breaker) - number of fish, (2<sup>nd</sup> tie breaker) - biggest fish on Day 2 of the tourney, (3<sup>rd</sup> tie breaker) - biggest fish of Day 1 of the tourney, (4<sup>th</sup> tie breaker) - coin flip.
- 14. SCORING:** The format of the **2017 NORTHSTAR TOURNAMENT TRAIL** is that of a competitive fishing team tournament. Entered teams will work together to weigh in 5 fish per day with a minimum of **14"** (inches) in length, unless state or lake limits are greater, measured on a flat board with mouth closed and fantail-ed. A dead fish penalty of .25 pound per fish will be deducted from the total weight. Any team bringing more than 5 fish to the scales will be disqualified for that tournament day. Tournament standings will be determined by the total weight for the competition days of the tournament. Only largemouth and smallmouth bass will be scored. Any team weighing in a fish shorter than the legal tournament length (14 inches) will be assessed the loss of their big bass plus the loss of the short fish. Each team is required to leave from and return to a specified checkpoint. Any team returning to the checkpoint late will be disqualified. Points earned will be determined on place of finish - example: 1<sup>st</sup> place = 100 points plus weight of fish, 2<sup>nd</sup> place = 99 points plus weight of fish, etc. If a team doesn't weigh in any fish, they will earn 50 show points.
- 15. CULLING FISH:** No culling of any kind is allowed at the tournament weigh in point, marina or beach. It is the responsibility of each team to remain within the legal limits of the state to keep no more than that maximum in the boat at any time. If more than this amount is found in the team's boat during tournament hours, the team will be disqualified for that day's tournament.
- 16. PERMITTED FISHING WATERS:** No fishing is allowed inside the tournament weigh-in site. Contestants cannot leave the boat to land a fish. Navigable waters are the only waters to be fished in the tournament. Contestants must be able to drive their tournament boat into the fishing area without getting out of the boat. Both contestants must remain in sight of each other at all times. All fishing must be done from a previously inspected boat. No tube or wade fishing is allowed. Boats may not be trailered to and from weigh-in during the tournament hours unless under the direction of the tournament director. No fishing is allowed within 25 yard radius of another tournament boat without that boat's permission. No fishing is allowed within 50 yard radius of another anchored or tied tournament boat with trolling motor out of the water and anchored in a stationary position. Only the contestants may be in the boat during the tournament hours. Having a non-contestant sit on a hole for you will be grounds for disqualification.
- 17. FISHING HOURS:** Will be from 7:00 AM to 3:00 pm, unless tournament hours are modified by the Tournament Director. The check in and check out points will also be disclosed. It is the contestant's responsibility to obtain this information from the Tournament Director.
- 18. GUIDES:** No guides may be used on official practice days.
- 19. REGISTRATION:** All entry fees must be paid in full prior to the tournament deadline. There is a limited field of 40 TEAMS. The **2017 NORTHSTAR TOURNAMENT TRAIL** reserves the right to extend the field. The entry deadline date may be extended if the field is not full. A non-refundable deposit must be received before the deadline date to assure a spot in the tournament. Deposits are non-transferable after the deadline date.
- 20. PRACTICE FISHING:** Tournament waters will be off limits to contestants from 6:00 PM the day prior to the tournament, unless noted for a specific event. In the event of a 2 date tournament (back to back tournaments), both tournament waters will be off limits to practice fishing at 6:00 PM the day prior to the date of the first tournament.
- 21. CELL PHONES - 2 WAY RADIOS:** During the official competition days a competitor may not use a CB radio, VHF marine band radio, cellular phone (including texting and email) or any other type of communication device for the purpose of locating and catching fish. These devices are for emergency purposes only.
- 22. PARTNER PAIRINGS & EASE-OFF CONDITIONS:** All TEAMS will be paired two per boat. EASE-OFF positions will be posted the morning of the tournament date. All tournament boats must be inspected prior to ease-off for both tournament days by a tournament official. Any tournament boats fishing during tournament hours without having been inspected will be automatically disqualified for that days contest. It shall be the responsibility of each partner to appear at a mutually agreed upon location with sufficient time remaining to check in at the official check point and have the contestants boat inspected.
- 23. OPTIONAL 2 DAY TOURNAMENT:** All teams who enter each tournament over a 2 day weekend will have the option to enter a 2-day total weight side tournament at \$ 100 per team - 100% payback. .ie if 10 teams enter the optional 2 day overall weight, the \$ 1000 side bet money will be split 2/3<sup>rd</sup> (\$ 667) for 1<sup>st</sup>, and 1/3<sup>rd</sup> (\$ 333) for 2<sup>nd</sup>. ..
